Location

Set in Cheshire's plains, on the fringe of the Peak District National Park, Macclesfield combines the old with the new. Originally a medieval town, Macclesfield became the country's 'Silk' capital in the 1750's, whilst it still retains that heritage, in recent years it has grown to become a thriving business centre. Macclesfield is a modern shopping centre with a range of leisure facilities to suit most tastes. There is a popular monthly Treacle Market which is a bustling Arts, Antiques, Crafts, Food and Drink Market, held on the cobbles of the town centre with around 140 stalls of exceptional food and drink, unique crafts and vintage and information from the Macclesfield community. There are many independent and state primary and secondary schools. The access points of the North West Motorway network system, Manchester International Airport and some of Cheshire's finest countryside are close at hand. Intercity rail links to London Euston and Manchester Piccadilly can be found at Macclesfield and Wilmslow railway stations as well as commuter rail links to the local business centres.
