

jordan fishwick

14 Ambleside Close, Macclesfield, Cheshire, SK11 8PY

An appealing and tastefully presented, two bedroom end mews property built by the highly acclaimed Jones Homes and forming part of this prestigious development. Located on a popular residential and quiet cul-de-sac within close proximity of local shops, excellent schools and public transport links. The bus service is only a short stroll away, providing public transport to the town centre and of course the surrounding areas. The property is well presented and in brief comprises; entrance vestibule, living room with bay window to the front and dining kitchen with French doors opening to the garden. To the first floor are two well proportioned bedrooms and a shower room. To the rear of the property is a pleasant low maintenance westerly facing garden, fenced and enclosed with a large patio and a courtesy gate to the rear. A driveway to the front provides one allocated parking space and one shared visitors space.

Location

Set in Cheshire's plains, on the fringe of the Peak District National Park, Macclesfield combines the old with the new. Originally a medieval town, Macclesfield became the country's 'Silk' capital in the 1750's, whilst it still retains that heritage, in recent years it has grown to become a thriving business centre. Macclesfield is a modern shopping centre with a range of leisure facilities to suit most tastes. There is a popular monthly Treacle Market which is a bustling Arts, Antiques, Crafts, Food and Drink Market, held on the cobbles of the town centre with around 140 stalls of exceptional food and drink, unique crafts and vintage and information from the Macclesfield community. There are many independent and state primary and secondary schools. The access points of the North West Motorway network system, Manchester International Airport and some of Cheshire's finest countryside are close at hand. Intercity rail links to London Euston and Manchester Piccadilly can be found at Macclesfield and Wilmslow railway stations as well as commuter rail links to the local business centres.
